JESUS' MINISTRY SUMMARIZED

The story of the raising of Lazarus from the dead is the single longest story (apart from the Passion) in the Gospel of John. In it we find a summary of most of Jesus' ministry. We see his very human nature as he is moved by Martha and Mary's sorrows and as he himself weeps at the tomb of Lazarus. He is the wisdom of God's Word made flesh as he explains to his followers that the death of Lazarus will serve as a sign of the glory of God. He crowns the miracles he works in John's Gospel (which began with the most "human" miracle of making new wine at Cana's wedding) by raising Lazarus from the dead—a "preview," if you will, of his own death and resurrection to come. This portrait of Jesus reminds us, as we near the end of our Lenten journey, that he is with us, knows us, understands us in every moment of our lives. He knows the joy of our human feasting, he knows the sorrow of our weeping. As we prepare to walk with him through the days of Holy Week, we are filled with faith that through Christ-God's glory will be with us in every moment of our lives and with Christ in our life everlasting.

**TREASURES FROM OUR TRADITION**

Not until the thirteenth century do we find a mention of a locked tabernacle. There's some evidence for eucharistic towers also, but often these were in an obscure corner of the church, or even in the off-limits sacristy. Many of us grew up "making visits" to Jesus in the Blessed Sacrament, but it's clear this would raise some medieval eyebrows in confusion! To the present day, the Eucharist is always reserved only in a side chapel in many cathedrals. The principal focus in a cathedral is always on the altar, symbol of Christ, and on the cathedra, symbol of the pastoral ministry of the bishop.

In your parish church there is probably a "sanctuary lamp," a permanently lit candle or oil lamp indicating the presence of the Blessed Sacrament. Sometimes it's in a red glass, not for any particular reason except that it's easy to find. There is a story of a bishop missioned to Papua New Guinea who was distressed to find no sanctuary lamps burning in his new diocese. The people patiently explained that their churches were woven of grass, and that they decided to place a chief's standard, a trident, in front of the tabernacle. That was a sign in their culture that the "chief" was at home, like raising the flag over Buckingham Palace. The bishop, an Irish import, didn't appreciate the British reference, so he ordered the candles back. The first church to burn to the ground was the cathedral, and after two more, the chief's tridents returned.
