TREASURES FROM OUR TRADITION

One of the great Easter traditions is "mystagogy," an ancient word meaning "reflection on the mysteries." It is a style of catechesis, or passing on the faith. People who have shared an experience, in this case those who have been baptized at Easter, are urged to recall their experience, reflect on its meaning, and apply their insights to their new way of life.

There is an aspect of an experience that is simply not available until you've had it. For example, you may think you know weddings inside out; you've been to dozens, seen hundreds in the movies or on television, but until you've said "I do" to another, there is a certain knowledge unavailable to you. Those who go down into the waters of baptism as adults have similar experiences; they have all taken baths before, but not like this one! Mystagogy helps such persons to uncover the deep meaning of the experience, their sense of a new beginning, of God's abundant love, of forgiveness, of community.

It takes time for the power of the Easter Vigil to work its wonders for us. Those who are newly baptized are called "neophytes," meaning "newly planted." The tender buds of spring need care and nurturing, and our new brothers and sisters need your prayer and your faithful example.

Believing Is Seeing

You may notice that Acts of the Apostles is the source of the first reading during the Easter season. This book describes how Christianity grew from a handful of disciples to a major religion. Today's reading about an ideal Christian community is meant to show ordinary believers how to be extraordinary, using three examples I call power, property, and prayer.

Power means the "signs and wonders" (Acts 2:43) performed by the disciples through the power of the Holy Spirit. This should be named last because it takes a lot of faith to heal the sick. If you had the same faith as the apostles, you just might be able to cure the sick. Or you might study to become a doctor and cure them with medical skills. As long as you acknowledge that God gave you the brains and the talent to become a doctor, you are doing God's work.

By property, I mean sharing what you have with those in need. Many disciples were moved to sell their goods and share them with the poor, and word of that must have spread. If you are not called to sell all your goods and become a monk or a nun, you can still tithe to your church or the poor, tutor disadvantaged kids, or help build or repair houses in poor areas. The point is that followers of Christ are not just individual do-gooders. They are a community of believers who care about each other and also care about the non-believers who need help of any kind.

So where did these first disciples get the faith to cure the sick and the love to help the needy? The answer is the third example—prayer. In the first reading we hear how "they devoted themselves . . . to the breaking of the bread" (Acts 2:42, 46)—their name for the Eucharist. They also went to the temple to pray, because at that time most disciples were Jewish Christians. As they heard the Hebrew scriptures, they saw how God's promises were fulfilled in Christ. All of these practices helped unite them to Christ and to each other.

PROMISE TO PROTECT

PLEDGE TO HEAL

BELIEVE IN THE POSSIBILITY OF HELP AND HEALING. THERE IS HOPE.

Your local Victim Assistance Coordinator is available to help you or anyone who has been abused or victimized by someone representing the Catholic Church. We will listen to your needs and support you. We will help you make a formal complaint and arrange a personal meeting with the bishop, or his delegate, if desired. We encourage you to come forward and speak out.

April is Child Abuse Prevention Month

This year we are focusing on the beginning stages of potential abuse where we are not alerted to abuse, necessarily, but rather to inappropriate behavior that often precedes abuse or the attempt of abuse. Grooming is the deliberate manipulation tactic predators use to gain trust. There are three types of grooming: Physical, Psychological, and Community. Learning to recognize grooming signs is the best way to prevent abuse from happening. Over the next few weekends in April we will present some defining elements of grooming. If you know of abuse or have a healthy suspicion of abuse, call DCF at 1-800-96ABUSE (1-800-962-2873).

Physical Grooming is the process of desensitizing a child through increasing levels of closeness. It could progress from a wave, to a hug, or to sharing a chair. The predator seeks out activities to do alone with

the child to the exclusion of other adults. This type of behavior transitions seamlessly into **Psychological Grooming**. The predator shows the child favoritism and often extolls of their "special relationship." The predator will reward the child with privileges and gifts without permission and encourage them to keep it a secret. They push boundaries by exposing the child to "adult stuff" like profanity, telling dirty jokes or alcohol. This can progress to talking about sexual topics and viewing pornography. All these things, because the child knows they are wrong, make the child feel guilty and complicit. Those feelings can paralyze a child from disclosing abuse.

Baptism Preparation Classes

If you are planning a Baptism, please be aware that Baptism Preparation Classes are offered every third Tuesday of the month at 5:00pm in the Church. Parents and Godparents must take the class and register for the Class ahead of time. Please call the office at 305-852-5372. Thank you!
