Eternal Father, Creator of all the world and all that is in it. We beg you to spare the Florida Keys and the world from storms and hurricanes. If any should occur, we ask that they all go out to sea where they may do the least amount of damage to anyone. We ask this through Christ our Lord. *Amen*

TREASURES FROM OUR TRADITION

Sadly, one of the most difficult reforms of the Second Vatican Council for the Church to embrace has been one of the most thorough and beautiful: the sacrament of penance. Because it is individual and private, it has been difficult for the changes to take root. Sometimes a priest may be grounded in the earlier form, and at other times the penitent may resist the priest's attempt to blend in the proper texts and rituals.

Perhaps because the new form is almost identical in structure to the old, it has been difficult to institute. It may also be true that with the liturgy in English now, it is far more clear that the Eucharist, too, is a "sacrament of reconciliation."

It is certainly true that there are different skills and gifts in ministry, and experienced penitents know that not all priests are equally at ease in this sacramental encounter. Sometimes a difficult experience can drive people away from a liturgy that is spiritually rich and rewarding. Yet we know that one bad meal seldom puts people off restaurants forever: the dinner gong tends to dispel bad memories, and so we try again. Individual confession and absolution is for us both treasure and tradition. If you haven't been for a while, consider coming back to praise God for this gift of mercy.

Support The ABCD

Today's Gospel reminds us that while we live in this world, our ultimate responsibility is to God. Jesus calls us to give God what belongs to Him. ABCD gives us a meaningful opportunity to place our faith into action by supporting the ministries of the Church that proclaim the Gospel, serve the vulnerable, strengthen families, and bring Christ's presence to our community.

"He Alone Is Lord"

In the scriptures, being anointed usually meant you were a prophet or king of Israel. So why is Cyrus given that title? Cyrus was king of Persia when the Babylonians held the people of Israel captive. God used him to defeat the Babylonians and eventually bring the Israelites back to their homes.

One thing this tells us is that God can work through anyone, not just saints and religious. Any time someone does a good deed, God is behind it. Just as God used Cyrus to free the Israelites from their Babylonian captivity, God can use governments to protect the poor, to help rebuild after disasters, or to defend freedom.

In that sense, we can understand what Jesus says about payment to Caesar and to God. Since everything belongs to God, that should be our first allegiance. But when God works through governments, we can give some support to them, by such activities as voting or paying taxes. Let us ask God to work through us also, helping us to proclaim that God alone is Lord.

Thanksgiving Food Baskets

Once again, from October 24th through November 15th 2026, the San Pedro Women's Guild will collect monetary donations to help our community's less fortunate. Please consider placing cash or checks made out to the San Pedro Women's Guild in the "Giving Basket" to the left of the altar. You may also place your donation in the Sunday collection basket labeled "Thanksgiving". With your continued help, we will provide a Thanksgiving dinner to every family in need. "o' God of all creation, nurture and protect tiny children and keep them safe in the sanctuary of their mother's womb and as you wondrously form their hearts and minds, lungs and souls, so strengthen our will to lovingly care for and protect them. Give us eyes to see them as our brothers and sisters, the minds to welcome them as our own and the faith to defend them as your children. We ask this through the intercession of Mary, our Blessed Mother and the mother of all the little ones through Christ Your Son, Our Lord. Amen
